

To protect children from criminals

Things that adult can do

Confirm the point of time that the children coming home

Keep an eye on children when going out

Raise your voice when strangers are approaching the children

Things should be trained to children

Rush into a house or shop when facing dangers

Not get on a stranger's car though being convinced sweetly

Yell for save at dangers

Inform clearly the destination

Get home before it becomes dark

Have the children be able to use alarm tools
